We are family run business founded by Glenn Miller in 1983. Our ethos "Trust, Honesty, Quality and unrivalled technical ability" has been at the core of everything we have achieved over the last 40 plus years. We offer the same quality level servicing that you would experience at the main dealer, but as a family run business we offer you the personal touch. We know how busy life can be so let us take that stress away from you when visiting the garage, with your own personal service advisor let Millers Garage do all the hard work.

We offer the following added value services to all of our customers:

- **FREE collection and delivery (Within a 10-mile radius)**
- **COURTESY car - (charge £12.50+VAT per day - Prior arrangement is required)**
- **FREE vehicle cleans with every service or major repair**
